EXPERIENCE

**Fashion Illustration Teacher's Assistant |
SCAD Summer Swarm**

Summer 2022 | Savannah, GA

- Assisted in teaching prospective college students the fundamentals of fashion illustration, including concept ideation, figure drawing basics, rendering techniques, and cohesive collection design.

- Offered high school students critique alongside a monitoring professor, and helped them to present their final projects in a professional capacity.

**Fashion Department Peer Tutor | Savannah
College of Art and Design**

2022 - 2023 | Savannah, GA

- Aided fellow SCAD students in all facets of fashion design, including fashion illustration, technical design, construction, and conceptual work.

- Helped students to further understand concepts taught to them in class, and assisted them in finding solutions to assigned projects.

**CAS Catalyst Moderator | Savannah College
of Art and Design**

March 2021 | Savannah, GA

- Scripted, edited, and collaborated with SCAD's Career and Alumni Services Department in order to deliver an interactive and educational presentation on diversity and inclusion within the Abercrombie and Fitch workplace.

- Led a discussion with A&F recruitment officers, and received questions from the SCAD student body.
